### EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Stephen Ford, Applicant's Attorney of Record, on 3/11/2004.

The application has been amended as follows:

- Claims 1, 2, 18, 20, 24, 35, 37, 54, and 69 have been amended as on attached sheets
- Claims 7, 19, and 36 have been cancelled.

2. The following is an examiner's statement of reasons for allowance:

Regarding independent claims 1, 18, 35, 52 and 69, the prior art of record does not disclose a device, article or method in which a burstiness statistic quantifying non-uniform lost packet distribution with respect to received packets of a sequence is determined according to measured durations for multiple different variable duration packet loss episodes derived independently of a packet loss rate.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Gregory B Sefcheck whose telephone number is 571-272-3098. The examiner can normally be reached on Monday-Friday, 8:00am-4:30pm.
